FL VC

What We Do

Florida Virtual Campus is the gateway to higher education in Florida

- Provides statewide support services to all Florida public universities and colleges.

- Expands access to online teaching, learning, and research tools, so that students can:

  – Search for specific institutions, programs, and distance learning courses.

  – Assess readiness and identify next steps in educational goals.

  – Access information-rich library collections, e-resources, e-textbooks, and other learning resources.

- Facilitates cross-institutional collaboration.

- These and other FLVC services assist in institutional effectiveness, and help students achieve their educational goals and succeed in the workplace.

FL VC

Funding and Governance

- Administratively housed and a part of the University of West Florida.

- Mission and duties defined in s. 1006.735 F.S. – Complete Florida Plus Program.

- Funds provided by the Florida Legislature.

- Additional revenues raised through special activities, services, or grants.

- Pass-through funding supports some activities.
