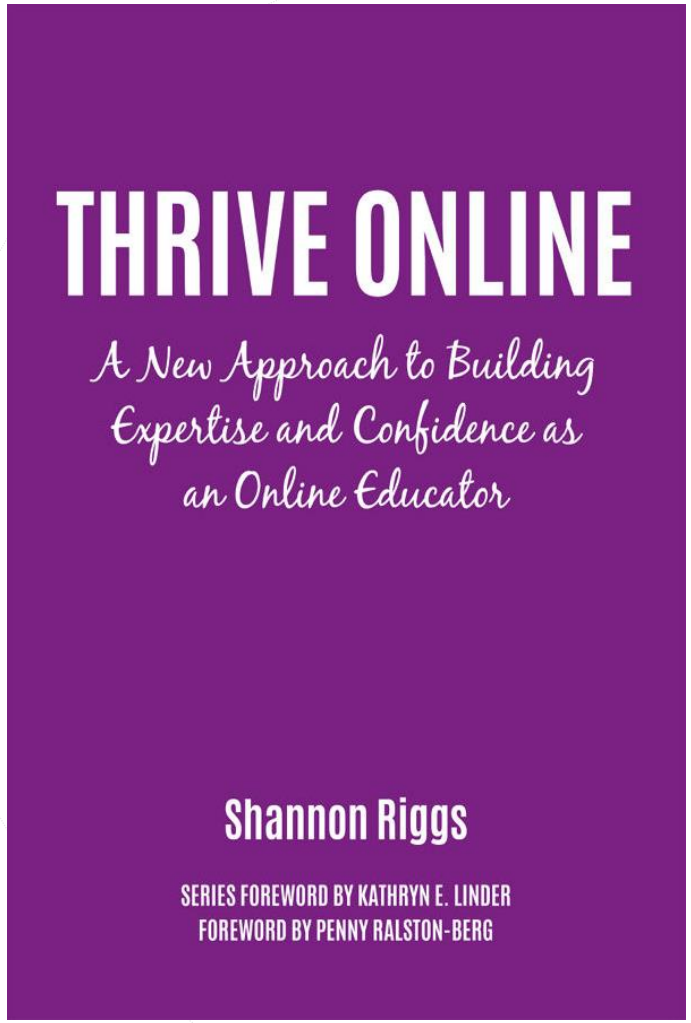
Teaching in a Digital Age

Shannon Riggs

Thrive Online: A New Approach to Building Expertise and Confidence as an Online Educator

#WCETWebcast



Well-designed and facilitated online courses involve interaction between not only

students and the content

but also

students and other students

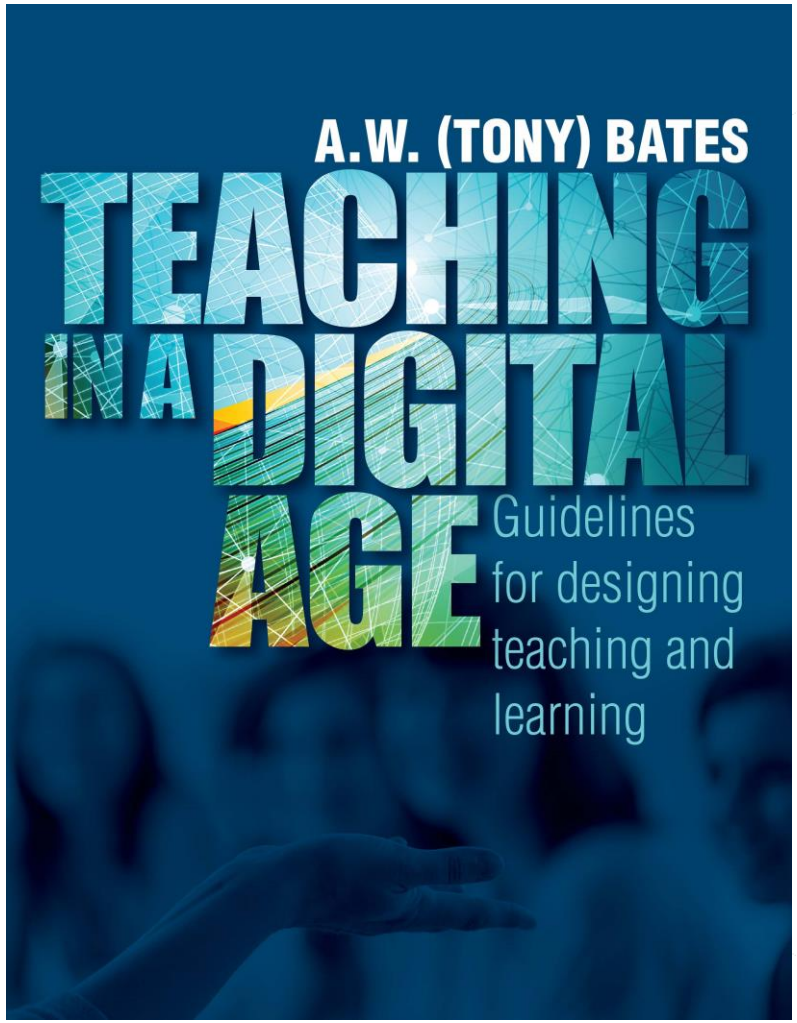
as well as

students and faculty members.

#WCETWebcast

Design models in general **are not dependent** on a particular mode of delivery; they can operate in most cases as well online as in class.

In an increasingly volatile, uncertain, complex and ambiguous world, we need design models for teaching that are **light and nimble.**



#WCETWebcast

Which quality indicators or metrics are important to be aware of?

#WCETWebcast

What are your thoughts about current and evolving models including blended, hyflex, and the many variations?

#WCETWebcast

Not all courses can be easily moved online. What are some effective examples or alternatives?

#WCETWebcast

How can faculty with little or no online education experience best prepare to teach remotely this fall?

What are some principles of teaching in the digital age?

#WCETWebcast

What would you recommend for academic leaders in the 2020-21 academic year?
