

Membership Overview

WCET is the leader in the practice, policy, and advocacy of digital learning in higher education.

About WCET

WCET makes the complexities of digital learning understandable and actionable for our cooperative of higher education institutions, organizations, and businesses.

We support our members through the development of just-in-time resources and events and by facilitating meaningful discussions and activities throughout the year.

Who can receive WCET member benefits?

All employees of a WCET member institution or organization are entitled to member benefits and are encouraged to get involved with WCET.

How can I get involved?

1. [Subscribe](#) to the member online community, MIX, to:
 - Access [member-only resources](#), including our AI toolkit.
 - Receive weekly news emails via wcetNEWS, plus breaking news updates as they occur.
 - Join in the discussion with other WCET members in wcetDISCUSS and/or the Generative AI in Higher Education communities.
2. [Register](#) for upcoming events. Member-only events are posted throughout the year; subscribe to wcetNEWS to receive announcements.

What are the main WCET benefits?

- **Access to Expertise and Resources:** Gain insights from top professionals and just-in-time resources that will help you navigate the complexities of digital learning in higher education.
- **Networking Opportunities:** Engage with a vibrant community of leaders, administrators, and tech enthusiasts who are shaping the future of learning.
- **Professional Development:** Participate in webinars and member-only events that provide practical knowledge and skills to enhance your institution's digital learning strategies.
- **Advocacy and Influence:** Be part of a collective voice dedicated to high-quality digital learning.

I have more questions about WCET membership.

Email our friendly staff at wcetinfo@wiche.edu, and we'll help answer your questions.
